<u>MANDATORY SECTION FOR ALL OHIO HCPs</u>

Under Ohio law, Mylan Specialty L.P. may only provide drug samples to a prescriber whose practice is licensed as a Terminal Distributor of Dangerous Drugs ("TDDD") or is exempt from such licensure under Ohio Revised Code ("ORC") § 4729.541. A TDDD license allows a business entity to receive, purchase, and possess prescription drugs, including drug samples, for distribution to patients. For more information on TDDD licensing requirements for prescribers, please visit the Ohio Board of Pharmacy website at <u>www.pharmacy.ohio.gov/PrescriberTDDD</u>, and for a list of exemptions, please refer to section 4729.541 of the ORC. Please select and complete one of the following:

☐ The practice at which I work, [insert name] _____, located at the address I provided above, has an active TDDD license that allows me to receive and store the requested samples at this location. The TDDD license number is _____ and expires on _____.

OR

☐ The practice at which I work, [insert name] _____, located at the address I provided above, is subject to one of the TDDD licensing exemptions in ORC § 4729.541.

By signing below, I warrant that the information provided above is complete and accurate and attest that I can receive and store the requested samples at the address I provided because I hold an unrestricted, active TDDD license or my practice is exempt from obtaining a TDDD license under ORC § 4729.541.
